LAB-TESTED, CARPISA  
FLEXITECH™ IS AN  
INNOVATIVE MATERIAL THAT  
DELIVERS OUTSTANDING  
PERFORMANCE, COMBINING  
UNPRECEDENTED  
LIGHTNESS, ELASTICITY  
AND STRENGTH.

This innovative **polypropylene**-based material brings together strength, lightness and sustainability. Thanks to the addition of **natural fibers**, polypropylene's performance is enhanced, improving durability while reducing environmental impact.

**Carpisa Flexitech™** technology, made with a high percentage of recycled polypropylene, guarantees flexibility, reliability and travel comfort — a practical, eco-conscious choice for today's travelers.
